

STEVE SEMMENS - KING OF NETWORKING

Network and Prosper - 3 Effective and Powerful Marketing Strategies to grow your business!

Though other marketing methods have their place, Networking is so powerful because you can connect with the right people immediately, and when it leads to a sale you know where that sales lead has been generated from.

- Increase your networking, increase your revenues
- Increase sales by at least 30%
- Gain access to clients you would not normally get access too
- Utilise the networks of your employees and treat them as VIP's
- Personal and Professional Development
- Creates new opportunities – Blue Ocean (New markets and new client clusters)

Keynote Speaker

"Steve was a fabulous presenter and motivator at our team training day."
Karla McDiarmid Macquarie Medi Spa

Thank you for attending last night's event and executing such an engaging and insightful presentation. We had quite a few students mention how much they enjoyed your presentation and took away a lot of valuable tips". - Siobhan Markus UWS
